

Make an Origami Frog – Things Found at Castle Loch, Lochmaben

Easy Origami Frog Step 1: Start with a square 6" x 6" (15cm x 15cm) origami paper colour side down.

Easy Origami Frog Step 2: Fold the paper left to right into a triangle. Crease well and unfold.

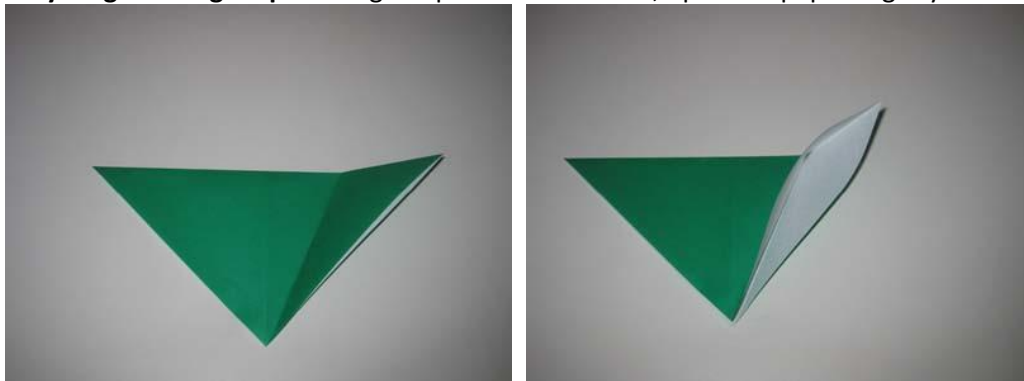

Easy Origami Frog Step 3: Now fold the paper from top to bottom into a triangle. Crease well.

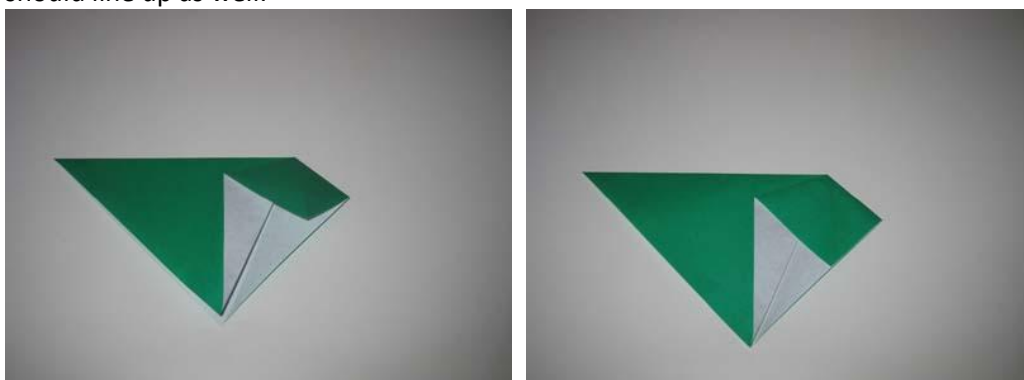

Easy Origami Frog Step 4: We will make a squash fold next. First, fold the right side to meet the centre crease.

Easy Origami Frog Step 5: Bring the previous fold back, open the paper slightly as shown in the photo below.

Easy Origami Frog Step 6: Make a squash fold. The left edge should line up with the centre crease. The right edges should line up as well.

Easy Origami Frog Step 7: Now rotate the paper 90 degrees counter clockwise so that you see the below picture.

Easy Origami Frog Step 8: Fold the left side over following the dash line as shown below.

Easy Origami Frog Step 9: That's your easy origami frog!
